

We are looking forward to welcoming you to our nursery. For those who are unfamiliar with the site, please find below some information to make your visit run smoothly.

Our address is:
Smallford Nurseries
Hatfield Road
St Albans
AL4 0HE

On arrival at Glinwell, you will approach a large gate with controlled access along a private access road from the main road between high hedges. Press the entry button at the gate, announce your name and company. Once through the gate, continue straight ahead, going past glasshouses on both sides and report to the Distribution Office on the left. From here you will either be instructed to leave your vehicle at the Distribution Office and given directions to the main office on foot or allowed to continue in your car. Follow the road past the loading bays, side of the packhouse and offices. At the T junction, turn left into the main yard where you will see the main office on the left-hand side with some parking directly outside. There is further parking to the right of the T junction alongside the glasshouse.

Once you arrive in the main office, please sign in using the computer to notify your Glinwell contact that you are waiting in the reception area.

If you encounter any issues, please do not hesitate to contact the main site number on 01727 822589 where someone will be happy to assist you. Use your contact's extension number if you know it.

For your convenience, please find below a map of the site showing the entrance gate (from Hatfield Road, A1057) and the main yard where the offices and parking are located.
